WRITE ME A LETTER

Anyone living in the Estancia Valley desiring to boost the country I wish to have them write me a letter saving where they came from to this country, how they like the country, what they think of its future. If a farmer tell me what your prospects for a crop are, etc.

These letters will be published collectively and sent back east to people making inquiries about the Estancia Valley.

Address me at Moriarty, N.M.
Respectfully,
Robt. H. Harper.

Teacher Should Rank High.

If education is to do what we hope for our children, it is imperative that the best and most gifted men and women should be attracted into the ranks of teachers and that they should be regarded as filling one of the most highly honored positions in the land.

NOTHING IS OUT OF YOUR REACH

Said a Spartan youth to his mother, "My sword isn't long enough to reach the enemy." "Then," said his mother, "add a step to the sword."

The moral is—if your ability or education now are not long enough to reach Business Success, add to them the step of Practical Business Training!

The business world offers you the greatest chances. Every time your watch ticks, opportunity greets you. The richest rewards are reaped by those who have the best training. If you secure a practical education in the right business college, you will get a good salary right from the start, will be in a position to learn the important details of financial operations, and be in direct line for promotion for the executive positions "higher up."

Truly, nothing is out of your reach, if you have the determination to succeed and will obtain a thorough, practical, business education in the right kind of school such as

SUCCESS

Young men and women often ask "What shall I do to obtain success?" The most essential thing is that you DO something. Success will not overtake you, nor is there any royal road which will lead you to it.

The greatest obstacle in the way of many young people is that they want someone to "pull" them upward instead of "pushing" themselves.

The writer is being constantly asked by business men to recommend young people for responsible positions. The kind of young men and women wanted are those who have "push" and who possess a thorough business training.

The business world needs you and will reward you liberally for efficient service. You can best fit yourself for a superior position by securing a training which has opened the way to opportunity for hundreds of others.
